

Our curriculum intent and vision is underpinned by our Trust values and mission:

Success Through Endeavour
Ambition through Challenge
Strength through Diversity

Yarnfield is a large primary school that serves a diverse community. The Yarnfield curriculum has been designed to provide children with a variety of engaging experiences in order to broaden their horizons and to raise their aspirations. Our curriculum aims to immerse pupils in a rich and varied vocabulary that allows them to develop their language and communication skills through presentations, workshops and drama activities.

The Yarnfield curriculum is designed to:

- Inspire pupils to enjoy reflective and dynamic learning
- Spark curiosity and excitement in pupils about the world, themselves and each other
- Raise pupils' aspirations through a cultural capital curriculum with rich and engaging activities that promote a love of learning
- Encourage and enable pupils to make connections within and between a wide range of subjects
- Deliver the skills and knowledge pupils need to achieve well in a broad range of subjects
